Whom it may concern,

Good day, My name is Danny Ray Kinzer Jr S.B.I. #381156 I currently filed a 1983^B form on two officers' down at S.V.O.P for harassment i'm not sure of the correct date i mailed it of but it had to be at least 2 weeks ago and i have yet to here anything in return. I'm writing to ask if anything happened or has anything taken place dealing with this matter?? I was recently reading through the jail house lawyer handbook and on page #22 chapter 2 it states that harassment is a violation of the 8th amendment. I took the time out to file the 1983^B form built around cases such as Rodgers v. Thomas, Morgan v. Arkansas Gazette, and Hudson v. Palmer all 3 cases listed are dealing with harassment of some type, I've since then been transfered to ~~another~~ another building which is good enough because while the harassment was going on i endured alot of pain and suffering, there would be times the harassment would be so bad i start crying, I would lose sleep over it not noing what might happen i even had nightmares from being so scared, one officer by the name of Conner made a remark that he should end my life because i wasnt worth living and shouldnt be able to breath, If you could check over the 1983^B form and this letter and let me no if anything could be done about this. I can mail you copies of all the cases i listed above plus a copy of page #22 chapter 2 of the jail house lawyer handbook for you to see for yourself. Thank you for your time!!
